EAC #59

Breathes there a man with soul so dead, who never to himself has said " 'tis time for the next PENNY-WISE and I hope it comes today." To every member who enjoys and appreciates PENNY-WISE (and I'm sure this includes the ENTIRE membership of EAC), let us synchronize our calendars and mark April 1st on our calendars as the day we will all in unison mail a birthday card to the one responsible for PENNY-WISE; the one who has donated hundreds of hours to its preparation. This should be done immediately as you read this paragraph; also, at your first opportunity, secure appropriate card and have ready for mailing on this date.

April 5th is Dr. Lapp's birthday and it would be a very gratifying tribute if EVERY member sent a card. Let's all mail on the same date; the 1st may be a little early, but "we tried".

This should be SUPER-SECRET. Let's make it the WORLD'S BEST kept secret and EAC's BEST executed plan. Mail to: Dr. Warren A. Lapp, M.D., 480 Herkimer Street, Brooklyn, New York 11213.
